2. A copy of the CRB Code of Practice is available on request.
3. Vista Healthcare undertakes not to discriminate unfairly against any subjects of a Disclosure on the basis of conviction or other information revealed.
4. Vista Healthcare is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependents, age, physical/mental disability or offending background.
5. Vista Healthcare actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcomes applicants from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.
6. A Disclosure forms part of our recruitment process and we encourage all applicants called for interview to provide details of their criminal record at an early stage in the applicant process.
7. At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offences.
